Greetings!

I look forward to having you in class. I grew up in a family where both my parents were teachers. I loved how they taught and planted a love for learning inside me. My background is in the medical field; however, after having the blessing of homeschooling my children I have learned to appreciate all that God has created. This class we will cover the amazing way that God created our earth and all that is within it.

Class Description

This class we will be covering the General Science 2: Survey of Geology & Archaeology as well as half of the Biblical Archeology History curriculum. We will be working through this curriculum, but not always in the exact order.

- First Quarter
 - Unwrapping the Pharaohs
 - The Geology Book
- Second Quarter
 - Unwrapping the Pharaohs
 - The Archeology Book
- Third Quarter
 - Unwrapping the Pharaohs
 - The Fossil Book
- Fourth Quarter
 - Unwrapping the Pharaohs
 - The Cave Book

Grade Level and Prerequisites

This course is open to high school students. There are no prerequisites for this course.

Credit:

This can be used as a full year high school science credit. We will also be completing ½ credit of Biblical Archeology History course. If you would like a full credit of history as well, you may complete the *Unveiling the Kings of Israel* under the Biblical Archaeology Course through Master Books.
